

CANNINGTON

CONFERENCE FACILITIES & RESIDENTIAL ACCOMMODATION

Located in the beautiful village of Cannington at the College's land-based campus, we have a wide range of diverse and flexible facilities available for conferences, meetings, training events and group residentials. All situated within our scenic grounds which also encompass the Walled Gardens and Tea Rooms, golf course, farm, animal centre and equine yard.

Due to the variety of rooms available, we are able to offer facilities for large or small parties which can be catered to suit your event. From traditional style meetings to larger conference events, laboratory workshops or a residential with on-site accommodation, we have a facility suitable for you helping to make your event as fun and successful as possible.

All guests can take advantage of our large on-site parking facilities and we are also within easy reach of the M5 or a short taxi ride away from the train station.

We offer a variety of catering options so you can find one to suit your needs from hot drinks upon arrival to working lunches to breakfast and evening meal packages for residentials. We will also adapt our menus for those with special dietary requirements.

Our friendly team are more than happy to discuss all of your requirements as a successful event requires detailed and thorough planning from start to finish. We will be on hand during the day to ensure that everything runs smoothly.
