

DISTANCE LEARNING COURSES

At Bridgwater & Tauton College, we offer a range of Level 2 and 3 Distance Learning Courses.

Distance Learning is an effective way of studying, enabling you to gain a nationally recognised qualification in your own time without the requirement to attend college.

In our recent Ofsted inspection, Ofsted inspectors stated that "learners who take distance learning courses to improve their job-related skills have particularly high achievements." Distance Learning offers students the flexibility of studying a selection of Level 2 and Level 3 courses from home and either online or paper-based, with the support of a specialist tutor.

LEVEL 2 COURSES FREE TO LEARNERS OVER 19*

**Subject to eligibility. Please find a list of courses overleaf.*

ELIGIBILITY: FREE LEVEL 2 DISTANCE LEARNING COURSES

From August 2019, funding decisions for education will become devolved to local government in several counties of England. This transfer of funding from central government to combined authorities has created fundamental changes to areas that we as an education and training provider can operate in.

We regret that we are no longer able to provide Level 2 courses for free, to the following combined authority areas: Greater Manchester, Liverpool City, Cambridge & Peterborough, Tees Valley and West Midlands.

If you are unsure if your post code falls into one of the five combined authorities, please email distancelearningteam@btc.ac.uk and we'll be able to help you.

If you wish to proceed with a Level 3 Course, you will be sent an enrolment pack and given further information about applying for an Advanced Learner Loan to fund your studies if you so wish to.

LEVEL 3 COURSES

- ILM Diploma in Leadership and Management
- Understanding Mental Health
- Understanding Autism
- Principles of End of Life Care
- Principles of Dementia Care
- Fitness Instructing and Personal Training

If you wish to proceed with a Level 3 Course, you will be sent an enrolment pack and given further information about applying for an Advanced Learner Loan to fund your studies if you so wish to.
