

Thank you for your support and patience in helping us to provide the vital experience our students require during their training.

We would respectfully ask you to remember that all salon sessions are also teaching sessions, therefore treatments may take longer than commercial salons.

Please switch off your mobile phone when entering the salon.

To enable students to achieve all their required units for assessment, we regret that requests for a particular student cannot be guaranteed.

Due to the nature of the curriculum, not all the treatments are available throughout the year.

#### HEALTH AND SAFETY NOTICE TO CUSTOMERS

For safety reasons, we regret that we are unable to accept as clients, children under the age of 12 and those under 16 for chemical treatments. Children under 12 are not permitted in the Hairdressing and Beauty Salons.

#### CANCELLATIONS

24 hours' notice would be very much appreciated. Regrettably, it may be necessary, on occasion, to cancel or change appointments at short notice.

#### PARKING

There is limited parking on-site but a local Park & Ride scheme at Silk Mills will drop you close to the front of the College.

#### CHILDREN

We aim to promote a calm and relaxing atmosphere within the salon and therefore request that you do not bring babies or children with you to your appointment.
