

# Fees and Admissions Policy

It is the intention of Bridgwater & Taunton College Childcare Centre to ensure that parents and carers are fully informed as to the policies and procedures relating to our 'Fees and Admissions Policy'.

Our application procedure is based on the date the original application is received at the centre. In this way we prioritise our waiting list by date order ensuring that we are offering equality of opportunity for all our families. However, should there be limited availability, priority will be given to Bridgwater and Taunton College staff, students and existing families.

To cover this an additional services charge of **40p per funded hour** will be added to your invoice monthly, along with meal costs or extra hours as appropriate.

We offer a limited number of Early Years Entitlement only places; these are booking patterns that pay no additional fees for meals. If you would like to opt out of the additional services charge please contact us.

This does not apply to parents / carers in receipt of Early Years Pupil Premium.

- Staff in current employment with Bridgwater & Taunton College will receive a 5% discount on fees (not applicable to meals).

### **Assistance with fees**

Help with childcare costs is available through a number of schemes. The government have a fantastic website that explains all the different schemes available.

[www.childcarechoices.gov.uk](http://www.childcarechoices.gov.uk)

- **2 Year Funding**

Families with 2 year old children who meet a certain criteria can apply for funding for 2 year olds. It is similar to the free nursery entitlement for 3 and 4 year olds however is only available for parents/carers receiving certain benefits.

- **Early Years Entitlement - Government funding for 3 and 4 year olds**

Early Years Entitlement funding is provided by the government to ensure that all children in the two years prior to starting school are able to access good quality free early years education. It pays for 570 hours of childcare per year from the date the child becomes eligible until they turn 5 or until they transition to school. A child becomes eligible in the term following their third birthday.

There are some limitations as to how the funding can be claimed; a minimum of 2.5 hours can be claimed per day, with a maximum of 15 hours per week. Any hours or meals accessed above this will be charged directly to the parent.

Dependant on the type of booking pattern you have will depend on how many hours you can claim per week, for a year round place this works out at 11.25 hours per week, for a school term time place (38 weeks per year) this works out at 15 hours per week.

- **30 Hours Funded Childcare for 3 and 4 year olds**

The Extended Entitlement is only available to parents who meet the eligibility criteria. If you are eligible you will need to apply for and obtain a 30 hours code via your Childcare Service account. Applications for this funding need to be made in the term before your child turns 3, or the term before you require the funding to start. Please remember it is your responsibility to apply for the 30 hours and to re-validate your application online every 3 months.

- **Childcare Element of Working Tax Credit / Universal Credit**

If you are aged 16 or over and you and your partner work over 16 hours per week, you may be entitled to the Childcare Element of Working Tax Credit or Universal Credit.

- **Childcare Vouchers / Tax Free Childcare**

Childcare Vouchers are available through employers; they offer tax and national insurance exemption on a salary sacrifice to pay for childcare at a registered childcare setting. We accept all types of childcare vouchers.

We also accept Tax Free Childcare payments. When you join this scheme you will be given a reference number, please email this to [childcare@btc.ac.uk](mailto:childcare@btc.ac.uk) to ensure we know who the payment is from.

- **Care to Learn**
