Appointments Date Time Treatment

Thank you for your support and patience in helping us to provide the vital experience our students require during their training.

Our students are trained to the highest standards and we always endeavour to ensure you feel welcomed and that your visit is a pleasant experience. As our students are in training and working towards their qualification, they may take longer than anticipated to complete your treatment.

We kindly ask that you please switch off your mobile phone when entering the salon.

To enable students to achieve all their required units for assessment, we regret that requests for a particular student cannot be guaranteed.

Please note that due to the nature of the curriculum, not all the treatments are available throughout the year and session opening times can vary from term to term.

HEALTH AND SAFETY NOTICE TO CUSTOMERS

For safety reasons, we regret that we are unable to accept as clients, children under the age of 12 and those under 16 for chemical treatments. Children under 12 are not permitted in the Hairdressing and Beauty Salons.

CHILDREN

We aim to promote a calm and relaxing atmosphere within the salon and therefore request that you do not bring babies or children with you to your appointment.

CANCELLATIONS

24 hours' notice would be very much appreciated. Regrettably, it may be necessary, on occasion, to cancel or change appointments at short notice.
